## NO NEED FOR WORRY--HOW THE PARTIES STAND

(Calgary Alberta)

Those who are worrying about the ability of the government to carry on government with the present vote have not sized up the situation. The government support never fell below 22.

Taking the last vote in the house together with the recent election and the worst line-up that could be figured on would be as follows:

Sifton government--Sifton, Mitchell, Marshall, Nelson, Wolfe, McKenna, Glenhousing, Roberts, Cushing, Simpson, Campbell, Smith, Stewart, Olin, Telford, McDougall, Doyle, Cote, McKenney, Boudreau, Holden and the speaker. 22

Rutherford supporters--Rutherford, Cross, Walker, Cornwall, McPherson, Gunn, Butler, Stauffer, Shaw, Moore, Lessard 11.

Conservatives--Michener, Hoad-

ley, Tweedie, Kennis, Riley, Stuart & Co.

Farmers--Patterson 1.

Scotiell--O'Brien 1.

In the above list as a matter of course, Mr. Patterson is put down as a farmer's candidate, but he is an out-and-out Conservative.

In two railway votes in the legislature last year Messrs. Shaw and Stauffer supported the government. Mr. Stauffer helped in the recent election in Glenhousing.

Upon all questions except the A. and G. W. the government secured the full support of all but Conservatives.

With the A. and G. W. in the courts and a railway policy that will satisfy most of the members, there will be no great danger of the government being out-voted in the house in the coming session.

**TALKING TO PURPOSE AT MUNICIPAL UNION**

**Kick On Censuses--Talk Single Tax--Sess the Assessment**

Calgary, Oct. 26. The Alberta Union of municipalities opened its seventh annual convention here today with an attendance of about 40 delegates representing half as many of the large towns and cities of the province.

At the first day's session a number of important matters connected with municipal government were taken up and discussed, the most important of which was the recent Dominion census. (Continued on page 2).

**The Institute Meeting**

It is much to be regretted that the visit of C. Markler, Provincial Government Dairy Commissioner, Calgary, was not taken advantage of by a larger number of the farmers. The Claresholm Agricultural Society, with commendable zeal, secured the Dairy Commissioner to address on Institute meeting in the L.O.O.F. hall last Saturday afternoon. The hour and day was chosen with a view to suit the convenience of the farmers, all of whom should be interested in the subject chosen by the speaker. The opening of the Claresholm Association ceremony made the subject "Dairying" of vital interest. As it was, although the meeting was announced by posters and private post cards sent out in good time, very few were present. Those who were present missed a most interesting and instructive address. The speaker urged cleanliness and gave an excellent description of methods to be used in producing sanitary milk. He dealt with the argument that our lands are too high-priced to use for dairying by demonstrating that in Denmark, the greatest dairying people in the world, land was as high as \$150 per acre. The speaker advocated the use of well-bred dairy animals and while not committing himself to any particular breed of dairy cattle, urged the importance of the pure strain for best milk production. What was of very great significance was his statement of the very great demand there is from far and near for Alberta butter, and he stated that the nineteen creameries operating in this province could not begin to supply the demand for our butter and other dairy products. The full text of Mr. Markler's speech cannot be given space here nor do the farmers who were indifferent to the invitation deserve to be given the text of the able speech. It is to be hoped that if the Claresholm Agricultural Society give another chance in the near future, every farmer in this vicinity will lay by the word in hand and turn out to hear intelligent farming intelligently discussed.

**Program of the 10th Annual Convention of the Alberta Sunday School Assoc'n**

**McDougall Church, Edmonton, Nov. 8, 9, 10, 1911**

## OPENING SESSION

(Temporary Meeting, McDougall Church, Auditorium, Wednesday Evening, November 8th)

The Salvation Army band will assemble at the front of the church, at 7:30 p.m. playing a couple of songs. (Continued on page 2).

**Bring It Here**

The teachers of the Claresholm School attended in a body the Annual Convention of the Teachers' Association of the inspectors of schools, held in Macleod last Thursday and Friday; and besides participating in its sessions, they landed the Convention for Claresholm for next Fall. From sixty to seventy-five teachers attended at Macleod, so the Convention is of importance to Claresholm. However the town has every facility for entertaining the educationalists. Our school building is unsurpassed in the province, and the large assembly hall will be ideal for the sessions of the convention while hotel accommodation is adequate. The convention was not secured without an effort, as Encler Creek made a strong plea, but on a vote, Claresholm won with a handsome majority.

The new officers appointed for 1911-1912 are: Hon. Presidents, The Minister of Education, Inspector Morgan.

President--H. W. Brownlee, Vice President--Miss N. E. Wood, Sec. Treas.--Principal Reid, of Macleod.

Executive Committee, Miss Doyle, Miss Todd, Miss Barbour, Miss Carson, Miss Waterman. In selecting the officers the principle of consolidating the executive was followed out to a certain extent.

The principal address of the Thursday morning session was by Jas. A. McGibb, Supt. of the city of Edmonton Schools.

In the afternoon Miss N. E. Wood, who teaches out of Claresholm, gave a very comprehensive treatment of Nature Study, especially in the lower grades. Miss Wood's paper elicited very favorable comment and aroused much discussion.

Miss Waterman, of Claresholm, followed with an excellent paper on "Teaching of Oral Composition in the Higher Grades of the Public School" and how to have pupils acquire facility in good speech. Miss Waterman's paper was highly applauded and very much appreciated.

The evening session was addressed

**FREE**

by Rev. G. W. Kaylor B. A., principal of Mount Royal College. Mr. Kaylor spoke in his usual eloquent and forceful style, on "The Teacher's Opportunity." This address was supplemented by a mixed musical program, followed by dancing and refreshments.

On Friday morning the convention was addressed by Miss Jean Laidlaw on Kindergarten Work. She was followed by Principal Reid of Macleod on "The Cultural Element We Neglect."

The afternoon of Friday was devoted to a paper by Mr. McMeekin of Starey on "Consolidation of Rural Schools." This was followed by the business session which concluded the convention. Com.

**Epworth League Social**

The Hallows' Social held at the Methodist Parsonage on Monday

night was attended by a large number of the young people of the Epworth League. Two ghosts were kept busy calling the blood of the guests. Music and games appropriate to the hallows' festival were enjoyed. Home-made candy paid the way for Tuesday tea at the parsonage. Without which a hallows' festival would be like "Handy" without the Ghost. A popular bank manager practiced threading needles while seated on the rounded sides of an unstable creak with legs from the floor. Served him right. He does not have to thread needles. The spectacle of sixteen of the leading members of society with a penitential suspended in a thread occasionally working teeth, tongue, lips, nose, eyes, etc., in the endeavor to diminish the distance between penitential and mouth was very amusing. The girls won. The ghost stories were shivery enough to suit the most vitiated tastes. "A pleasant time was had," sums up the whole situation.

**Used to it Now**

The results of the by-elections in the four constituencies, Calgary, Glendene, Lethbridge and Pincher Creek, held last Tuesday, indicate the election by great majorities of four Conservatives to the provincial legislature. In the first-named, Tweed's majority is placed at over 1500, showing a vote of slightly over 1500 which is a very small total vote for that riding. H. W. H. Riley is credited with a majority in Glendene over Mr. Arthur, brother of the late member, of 525 votes. 13 polls not recorded which is expected to materially reduce that majority. The polls in this constituency within the municipal boundaries of Calgary City were strong for Mr. Riley. In Lethbridge riding, Dr. Stewart has about 180 the lead of W. J. Shepherd. (Here let us drop a note for the London City, B. especially as a small Eastern township was annexed by the birth of us both. Let in this constituency the same ball game in the vote, was very much the same. The electoral campaign was so splendidly by W. A. Buchanan seems to have exhausted the effort of the Liberal organization. Johnnie Kennedy, of Pincher Creek, is forward in his work in positions campaign by 130 majority over A. J. Ross, six polls not yet reported. The thing is very evident that Premier Simon is going and that he did not hesitate to bring on the by-elections in the face of the predominant influence of the Dominion election results, within about one month, to have that the home might assemble for provincial business with its full complement of representatives.

**Free If It Fails**

Your Money Back If You are not Satisfied with the Medicine We Recommend.  
We are so positive that our remedy will permanently relieve constipation, no matter how chronic it may be, that we offer to furnish the medicine at our expense should it fail to produce satisfactory results.  
It is worse than useless to attempt to cure constipation with cathartic drugs, laxatives or enemas of such harm. They cause a reaction,

irritate and weaken the bowels and tend to make constipation more chronic. Besides, their use becomes a habit that is dangerous.

Constipation is caused by a weakness of the nerves and muscles of the large intestine or descending colon. To secure permanent relief, you must therefore tone up and strengthen these organs and restore them to healthier activity.

We want you to try Revall Ordrelin on our recommendation. They are exceedingly pleasant to take, being eaten like candy, and are ideal for children, delicate persons, and old folks, as well as for the robust. They act directly on the nerves and muscles of the bowels. They apparently have a neutral action on other associated organs or glands. They do not purge, cause excessive looseness, nor create any inconvenience whatever. They may be taken at any time, day or night. They will positively relieve chronic or habitual constipation. If not of surgical variety, and the myriads of associate or dependent chronic ailments, if taken with regularity for a reasonable length of time. 12 tablets, 10 cents; 24 tablets, 25 cents; 50 tablets, 50 cents. Sold in Claresholm only at our store. The Revall Store. O. L. Rinsche.

**Claresholm East**

Miss O. L. Rinsche was in Calgary yesterday on Monday of this week.

Mr. Whitehead's people from Badger Flats were guests at Reid, Lang's Sunday.

J. L. Simon and family were guests of John Fraser and family Sunday.

Alex. Livingstone was a Claresholm visitor Saturday.

Brown Bros. have been erecting several new granaries recently.

Mrs. D. Goodrich and daughter, Mrs. John Fraser were in Claresholm one day last week.

Miss Leona Schoof was visiting friends in this vicinity the last of the week.

Mr. Lamb's threshing outfit is busy on the Fraser & Law farm this week.

Sidney Todd was a business visitor in Claresholm Friday.

Miss Phyllis Laid was a guest at Mr. Pine's in the Grain Belt district Sunday.

Brown Bros. are building cars with wheat in Claresholm.

Mr. and Mrs. Matt Goodrich of Bolivar, N. Y., are visiting their daughter Mrs. John Fraser for a few weeks.

Melvin Ingalls attended church at Claresholm Sunday evening.

Miss Adda East is spending the week with friends here.

M. D. Goodrich and Arnold Fraser were guests of Charles Noble and family at Noble Saturday and Sunday.

Andrew Hartwick and family have returned from a few weeks' stay on their homestead at Bonnetta, Alta.

**Cupid at it Again**

S. C. Williams, one of our large farmers, in the eastern part of our district, returned from Walla Walla, Washington, on Tuesday last.

His brief trip appears to have been a most profitable one, for besides the local smile that he was wearing he brought with him a bride in the person of Miss Lucille Carmichael, an estimable young lady of Walla Walla. The ceremony took place last week at the home of the bride, and the young couple started soon afterwards for Sunny Alberta.

Miss Carmichael has been attending the state University at Palerno, and has led a large number of friends in various parts of the state.

We extend a hearty welcome to Mrs. Williams and wish her and her husband every happiness in their new home.

**Causes Much Dislike**

Advice About Stomach Troubles and How to Relieve Them.

Do not neglect indigestion which may lead to all sorts of ills and complications. An eminent physician once said that ninety-five per cent of all the ills of the human body have their origin in a disordered stomach. Our experience with Revall Dys-

pepsia Tablets leads us to believe that to be among the most dependable remedies known for the relief of indigestion and chronic dyspepsia. Their ingredients are soothing and healing to the inflamed membranes of the stomach. They are rich in pepsin, one of the greatest digestive aids known to medicine. The relief they afford is very prompt. Their use with persistence and regularity for a short time tends to bring about a cessation of the pains caused by stomach disorders.

Revall Dyspepsia Tablets help to insure healthy appetite, to aid digestion and thus promote nutrition. As evidence of our sincere faith in Revall Dyspepsia Tablets, we ask you to try them at our risk. If they do not give you entire satisfaction, we will return you the money you paid us for them, without question or formality. They come in three sizes, prices 25 cents, 50 cents, and \$1.00. Remember, you can obtain them only at our store. The Local Store, O. L. Rinsche.

**Cooperage Production - 1910**

The amount of cooperage produced in Canada during 1910 has been completed by the Dominion Forestry Branch at Ottawa. Reports were received from one hundred and thirty-three firms of which ninety-four were in Ontario showing that slack and tight cooperage was produced in Canada to the value of one million, seven hundred and forty thousand dollars. As the hardwood forests of Canada are already greatly depleted, and as the Canadian products transported in barrels are chiefly flour and apples, requiring only slack cooperage, the tight cooperage stock manufactured in 1910 amounts to only one-fifth of the total value. Barrels made from tight stock are used as containers of oils, alcoholic liquors and other liquids, and as Canada has practically no stock of sufficiently clear quality for such stock, the most of it has to be imported as staves or stave bolts from the United States. Of the total slack cooperage made up one hundred and ninety-five thousand dollars less than the 1909

**Fort Fraser**

The City of 30,000 in 1920

1. 325 miles east of Prince Rupert; 225 miles west of Yellow Head Pass; 150 miles south of British Columbia-Alaska boundary; 350 miles north of British Columbia-United States boundary; 100 miles southeast of the big coal fields just west of the Bulkley Valley; 100 miles east and north-west of the largest and most compact timber area in the world; 125 miles north of the famous Chilcotin Country; 100 miles west and northwest of the Cariboo mining district; 25 miles south of the Omineca Mines and 125 miles south of the big Finlay River mining district.

2. On the mainline of the Grand Trunk Pacific on the Fraser Lake and the Nechako River, commanding 1000 miles of navigable waterway.

3. Situated so as to afford an easy grade in every direction for railroad building.

4. Climate ideal; dry, hot summers; cold, dry, calm winters with very light snow fall and no high winds or blizzards. Abundance of best water; irrigation not necessary.

5. Title is perfect. The British Columbia Government has reserved one-quarter of the entire township and guarantees title, which is deposited in trust with the Dominion Stock and Bond Corporation, Ltd., Vancouver. (Capital \$2,000,000.)

**\* CORNER LOTS \$150 and up INSIDE LOTS \$100 and up**

TERMS EASY ENOUGH FOR ANYBODY  
After October 25th the price of these lots will be \$50.00 more

East and west we are closing up the four hundred mile gap on the Grand Trunk Pacific in British Columbia, and every lot that is now being laid and every spike that is driven adds to the value of Fort Fraser property. When the first through train ever hauled train arrives at Fort Fraser in the summer of 1915, it will put goodness into the hearts and homes of thousands. An opportunity to participate is now offered you. Delay is costly. Ask now for literature and full particulars; you will learn something worth while, and if you buy you will make money.

**Milnes & Noble CLARESHOLM AND NOBLE**

value. Notwithstanding the decrease in value of slack cooperage for 1910, the number of pieces produced was five hundred thousand more than in 1909. Practically no cooperage is manufactured in Canada for export, and whatever quantity is shipped out is the cooperage left on the manufacture. Eighteen thousand dollars.

## HARE AND TORTOISE AGAIN

We were not in the throes of a bye-election contest here and we are doubly glad. We have also pleased that our member, Mr. McKenzie, has returned from a long health-seeking trip to the old country. We are glad his health has improved and great things are expected for this constituency as a result of his trip abroad. We cannot believe in this riding, that the result in our four sister constituencies is "hand writing on the wall" as some of our contemporaries would like us to believe. Nor can we for a moment, believe, that these constituencies who last Tuesday elected four Conservative members to the provincial house, were needing for Dominion favor. We would sooner believe that the change of fortune was the result of indifference on the part of the Liberal electorate, who perhaps were somewhat heart-weary and leg-weary after the strenuous efforts in the recent federal campaign, to pile up such magnificent majorities for the local Liberal candidates and policy. But it will be not an unkind blessing for it will at least give the remnants of the Tory party in Alberta a chance to let the electorate know where the party stands in provincial politics. Released from the soporific influence of R. B. Bennett's "League" the Conservative party in Alberta will be given a chance to fight on a real provincial policy and let us all know what it is. Premier Sifton will not be at all hampered by working out the destiny of our province by the turn of the tick in the bye-elections of Tuesday.

## FORE-WARNED

In our columns some time ago when the grass was green and the links were singing, we reminded the skating and curling enthusiasts that it was high time some definite plan were made for a rink here this coming winter. Now we have had a chilling reminder that it was no Midsummer Night Madness to suggest the thing. There is only one way to have a rink this season, and that is to hunt out the tomato can from its hiding place and extract a few shining (or crinkling) money voices and do something with them. We are sure that if every Jew-spert here were to manifest inclination to keep up some financial support, a rink would be assured. But it is unwise to delay. We all are familiar with the old saying "it is useless to look up the eel when the stable is stolen." We wish some of the old curlers would call us up and say "when" and we would have a response ready. Once we need to say we desired a pair of ice-slates placed in our cellar but now that is changed, but there are many good anxious lovers of skating who are only waiting to be asked for a contribution. Cold feet has lost many a good season's enjoyment, but we do not think they always will. This season should be a good one. Surely the Dominion election was a frost on some of us and the provincial by-elections also have cooled some of our temperatures. It ought to be a good ice winter. Let us start early, and by early we mean at once. When your water pipes freeze twice is a sure sign. Use the phone and tell us what you think about it.

## CHEESE-PARING NOT JUDICIOUS

We have not heretofore made any comment on the provision made by this town for police protection in case we wanted to see the working end of the constitution of law and R. N. W. M. P. influence. It is clearly evident that outside the zone of Mounted Police effect our town would

G. M. C. HART-SMITH, Assistant-Manager.

## Paying Well

be safer and more satisfactorily paid by two town constables rather than by one. We believe the regular mounted force is not responsible for peace preservation, save in extreme cases of need, where the peace of the district outside of the town boundaries is menaced. It seems to us that to keep Clareholm well protected our police should extend over a full twenty-four hours. The town, capable as he may be, cannot do this. In our opinion, for at least three months of the year when a certain number of the wandering fraternity are bound to be in the neighborhood, our town should have full and complete police protection. It would necessitate an additional expense of a few dollars but we know that in the last few weeks, scores of flagrant breaches of the peace have occurred which if brought before the authorities and wholesome fines were levied would have paid the salary of an additional guard of the peace. Several checks have been gathered in lately by the Mounted Police and fined five dollars and now the price has gone up to seven dollars the town exchequer would be much richer and the streets much safer for the wives and daughters of the citizens if more round-up took place. The local papers in the province have been printing a series of burglaries and great vigilance is necessary at this season of the year to discourage all misadventures from visiting our town. We have a reputation that has gone out far as having the most orderly and best conducted town in the province and we should hold it.

We are kidding about the census, although we haven't seen the figures.

## Chiefly Claresholm

J. R. Watt spent his Thanksgiving in Calgary with friends.

James Haslam was in town visiting friends over the week-end.

H. A. Craig, supt. of Demonstration Farms, was in town to day.

Mr. and Mrs. F. T. D. Bridge spent Thanksgiving in Lethbridge.

A. H. Cook, of Claresholm, was in Calgary on business early this week.

Mrs. Marlett of Maceled was a visitor in town Tuesday and Wednesday.

Harry Saunders left on Monday for his home in the Red Deer district.

C. Hughes of Staveland was in town this week looking after his threshing machine.

Miss Sophia Gaudin is spending a few days in Calgary this week visiting her sister.

W. A. Lyndon, of Lyndon, was in town on Monday on his way to Calgary for a short visit.

W. A. Lander of Valer, Mont., spent a few days with his daughter here, Mrs. Cies Bonaparte.

Mr. and Mrs. Mark Fisher at their Thanksgiving turkey with their relatives at Staveland on Monday.

C. S. Noble, of Noble, Alta., motored over yesterday to make a short business call. He returned to day.

Miss M. J. McKinney of Calgary was the guest of her brother, Jas. McKinney for the Thanksgiving holiday.

Miss Ila Gaudin who is attending Normal school at Calgary spent Thanksgiving with her parents here.

J. A. Stubbs, John Heyland and P. S. Goring, all of Claresholm, spent Thanksgiving in Lethbridge on a combined business and pleasure trip—Lethbridge Herald.

J. P. Miller's sale was pulled off on a schedule time and under the careful supervision of Pat Murphy, the goods and chattels were disposed of briskly and at most excellent prices.

Elizabeth, daughter of Mr. and Mrs. Gossie left this week to join her sister who is attending College at Pasadena, Cal. Mrs. Gossie accompanied her daughter as far as Lethbridge.

D. Ferguson of Lethbridge, delivered a new automobile on Tuesday purchased by the Independent Grain Co. for the use of the superintendent here, W. A. Frohlinger, of the same town, accompanied him on the trip up.

A Correction. In our reference to the Hodges-McCoy marriage in our last issue we spoke of the ceremony as having been performed at the Lutheran parsonage. This was an error. Mr. Holland married the couple at his own house. We regret the error.

A shortage of gasoline is delaying the threshers and a car shortage is delaying the grain shippers. Maybe the same people are behind both shortages. The compositor reported that no doubt the shortage of good threshing weather might properly be charged to the same source.

Rev. J. M. Harrison, the pastor of the Methodist church here, left last Tuesday for Red Deer to attend the Conference Special Committee and returned at noon today. His train passed the scene of the wreck of the Edmonton north-bound express a short time after the accident.

Miss Eva Bevan gave a farewell party for Miss Ethel Cumming on Thursday night. Progressive who was the feature of the evening. The fortune-telling by Miss Vera Parker was very much enjoyed. Miss Cumming intends leaving for Calgary in a few days where she will spend the winter.

It was recalled that a recently assault was made on the person of one of our prominent professional men on Tuesday. Such acts of lawlessness are not properly punished by merely binding the offender over to keep the peace. Strict justice should be meted out severe enough to deter all such ruffianly tendencies.

The LOOP dance on Tuesday night was a most pleasant affair. About thirty couples were present and "tripped the light fantastic" to the pleasing strains of music furnished by a local trio. These fortnightly social gatherings made possible by the courtesy of the Odd-fellow's society here are very much appreciated by their guests.

Mr. and Mrs. A. F. Bouffice and family spent Sunday and Monday, Thanksgiving Day, with friends in Maceled.

Quite a large number went up to Calgary from town to attend the Nordic concert. The successful musicians in the choral competition held here last month were among the number. Mrs. (Dr.) Steves and Mrs. H. P. Tilden chaperoned the party. Among them were the Misses Ethel Cunningham, Hazel Strong, Ethel Knight, Julia Soby and Eva Moffatt and Masters R. G. Holden and Morley Titilston. Miss Grace Hurehmann was also one of the Claresholm party who enjoyed the prima donna's vocal art.

H. L. Wannamaker of Bonnell, Alta., has again visited his old home here on a sad errand. Last August Mr. and Mrs. Wannamaker lost their infant son Kenneth and brought the body here for interment. Now it was the body of Donald, the twin brother of Kenneth, which they have come to bury here for burial. The funeral took place on Tuesday from the home of Mrs. S. M. Ferguson, Mr. Wannamaker's sister. Mr. and Mrs. Wannamaker and daughter returned to Bonnell today.

Hillbrow passed quietly. Some pleasant little parties were held here and there and the effervescence of the young directed toward other outlets. Some juveniles piloted a few vehicles against the doors of the LOOP hall where a merry dancing party was in progress but our vigilant town sheriff was on their trail and what would have been a spectacle much more enjoyed had there been a larger audience, was furnished by the sight of some of the boys tugging the wagons back to their proper places under the directions of the Chief.

Salé of Work—Dance

The ladies forming the Women's Auxiliary of the Church of St. John, the Evangelist here will hold their annual sale of work on the afternoon and evening of Wednesday, November 29th in the LOOP Hall. In the evening a dance will be given by the ladies. Everyone should keep this date in mind.

11-2-15

An Unsolved Mystery

Misses H. P. Robinson, W. A. Cornwell, G. R. Sutherland and E. W. Elliott journeyed to High River on Monday to give the town a musical treat on exhibition of how it should be done. No definite success could be obtained from these gentlemen and if the High River people will suggest the best way to sell our local quartette has done the sad and news may never reach the outside world. Well, they had a good time anyway. Here let the veil be drawn.

11-2-15

Here On Sunday

"In this Western Country men compare themselves and become spiteful" (Rev. A. E. Ramsell) who is conducting a series of special services at Westminster Church stated in his address last night that this is one reason given him by a Lethbridge man why men are not definite and out, aggressive Christians. The reason they do this is that they allow themselves to become the victims of enemies. Some things that appeal to all the manliness in a person's make-up and others to be ashamed of were presented in a convincing manner. The active Christian life is a person's duty and privilege. Mr. Ramsell is one of the ablest preachers in the east. He came west at the request of the General Superintendent and is supported by a business firm at Edmonton.

The people at Westminster church are of the opinion that they are making a good investment. Mr. Ramsell will preach at both services tomorrow and each evening next week. Lethbridge Herald. Mr. Ramsell opens a mission here for a few weeks in the Methodist church, beginning next Sunday.

Married

On Tuesday Oct. 24th, 1911 at the home of Mrs. W. P. Freeman, Sunny side, Calgary, Susanna Wilson of Lethbridge, Alta., to Stephen Lewis Dunbar of Medicine Hat. Rev. W. P. Freeman officiated.

## THE DOMINION BANK

Capital Paid Up \$4,000,000.

## TALKING TO PURPOSE AT MUNICIPAL UNION

(Continued from Page 1)

ement census which was unanimously declared to be erroneous and to estimate which the provincial government is requested to take another census in Alberta, assisted by the various municipalities; the single tax system which received the highest sort of endorsement from the delegates, and the generous payment of mayors and other municipal officials which was also supported by the whole convention with whole-hearted enthusiasm.

### Welcomes Delegates

When the meeting was called to order in the town hall Mayor Trenholm Dickson, of Maeland, who presided in the absence of President Gariepy, of Edmonton, who was unable to be present, welcomed the delegates in the name of Maeland and paid a tribute to the memory of the late president, R. R. Jamieson, who had passed away since the last meeting.

Special treasurer George J. Kinaird, of Edmonton, read the annual report of the executive and also his own report.

The latter showed that the receipts during the year had been \$700 and the disbursements \$800 with an unexpended balance of \$90. This, with the recommendation that the provincial government be asked to give financial assistance to the union was adopted.

The first resolution offered was proposed by Mayor Mitchell of Calgary and seconded by Mayor Armstrong of Edmonton, and related to the census.

Mayor Mitchell warmly advocated the plan of taking a census every five years when the majority of the citizens would be at home. The local municipalities through their police forces could aid and in Calgary there was a large body of citizens ready to assist.

aid, as it would be unfair for Alberta alone to profit by the increase in population since the federal census was taken.

J. G. Watson of Calgary advocated a check being kept on the enumerators and Mayor West, of Edmonton, recommended the best quality of construction and rolling stock, polite employees and great care in the matter of extensions. He thought it would be better to run such an extension to a public park pleasure resort rather than to employ it to boost somebody's subdivision.

### Methods of Assessment

Assessor Wallace, of Calgary, read a paper on "Methods of Assessment" in which he advocated levying taxes on land and not on improvements. Taxes on personal property, he said, should be on rentals and not on value. The assessors then could order their whole time to ascertaining the values of land.

The tendency to discriminate would be lessened and speculation would be discouraged.

Mayor Armstrong, of Edmonton, extolled the Edmonton system, asserting that that city was one of the pioneers in applying the single tax. The orator, he said, was abolishing the business tax as quickly as possible by degrees and that as soon as the single tax system could be extended to certain outlying property now exempt it would universally apply with the exception of licenses.

Mayor Milne of Medicine Hat, said that that city was headed in the same direction as Edmonton, and was year by year increasing the taxes on land values and reducing those on improvements. As Commissioner Perrie, of the British Columbia provincial government said, many of the new Mayors governments are being organized by adopting the single tax principle when its advantages were pointed out to them.

Such as Field had continued it when they became town. Others had not. He was of the opinion that there was the opportunity for such organizations as the union to do a little similar work.

Mayor Dickson of Maeland, remarked that the opposition generally came from citizens and even members of town councils, who speculated in vacant lots in the centre of the town.

### Values Might Decline

Mayor W. Miller of Red Deer, thought that the chief objection to the system lay in the fact that there might some day come a decline in land values. If a period of depression came, having fixed land values to the limit, the only thing to do would be to cut down expenses. We had never had a setback yet, but it was something to be looked into. Red Deer was looking forward to establishing the system, and he wanted enlightenment.

Mr. Perrie remarked that the same conditions would apply under any system of taxation, single or otherwise. The municipalities would either have to raise the taxes or cut expenses.

Alfredum Fawcett of Medicine Hat, said that the reason so many towns had not jumped at the proposition was that they were a little afraid of cutting off a third of their assessable income. It thought they were possibly near the limit of their borrowing power, and also threatened an increase of the mill rate, so hit them at both ends.

He thought that if the legislature would allow towns which adopted these single taxes to borrow 20 to 40 per cent of the value of their property, that it would be an improvement.

Ex-Mayor Moffatt, of Brockton, said that reforms always came slowly and the reason the single tax was not more generally adopted was because it was a new idea. He could not conceive of a town in the west where the value of lands would go back, but if it did the remedy was simply to cut down the expenses. No formal vote was taken on the question.

F. M. C. Crosskill, of Edmonton read a paper on the marketing of debentures. He did not see much advantage in the plan of the municipalities issuing stock, but he did support the creation of a department of government whose duty it would be to pass on and approve the form of municipal debentures that they might meet the requirements of the bond houses.

Several delegates spoke of the troubles of the towns whose debenture had been turned down by the solicitors of the bond houses and approved of Mr. Crosskill's suggestion.

### Legislature Wants Relief

Mr. Malcolm McKenzie, M.P.P. of the Claresholm riding, said of the Claresholm riding, said that the legislature would rejoice in any plan to relieve it of the burden of levying municipal bonds. He thought the matter could be well arranged before the year had passed.

Another discussion arose on the question of payment of municipal officers, and there was no dissent from the proposition that it was the proper thing.

To night the delegates were entertained at a banquet given by the town of Maeland, nearly all the visitors responding to toasts.

## Programme of the 10th Annual Convention

(Continued from Page 1)

selections the band will enter the church.

8:00 p.m.—Musical service.

**A Beautiful Story**

A beautiful story is depicted in the picture, entitled "Home Again," given this season with the Family Herald and Weekly Star, of Montreal. It is beyond doubt the best picture ever offered with that great paper. The picture is 22 x 29 inches, ready for framing. The Family Herald and Weekly Star is growing faster and faster every year. It is the marvel of the newspaper world today and with such a picture as "Home Again," all for one dollar a year, it is no wonder the circulation grows. Every home in Canada should spend a dollar this season on this great bargain.

**Some More White Hopes**

It was mentioned before in these columns but it will bear repetition and in tabulated form. Here are some of the winning jumbos in the vegetable competition at Mark Fish's store. W. W. McAllister and W. P. Teskey were those who carried off such a fine pair of gounlets:

Savoy Turnip  
G. B. White, ..... 21 lbs. 8 oz.  
Henry Stamp, ..... 14 lbs. 8 oz.  
R. E. Dischell, ..... 12 lbs.

Six Potatoes  
W. W. McAllister, ..... 15 lbs. 1 oz.  
Jas. McKimney, ..... 15 lbs. 1 oz.  
R. E. Dischell, ..... 14 lbs. 1 oz.

Cabbages  
W. P. Teskey, ..... 19 lbs. 1 oz.

**Calls Bad Names**

The otherwise still, quiet, dignified, phlegmatic, good fatherly morning paper in Calgary got hot under the collar today and talked blue wicked, heavy whistled, exorcised but man. Now don't think there was not a good reason, but what delight is to see some signs of human weakness in this ultra respectable journal. Seems more human, doesn't it?

**The AMERICAN RESTAURANT, J. B. BOESE PROPRIETOR**

**EDISON PHONOGRAPHS AND RECORDS**

**For Sale By**

**Claresholm Pharmacy**

**O. L. Reinecke, Prop.**

**Palace Livery, Feed, and Sale Stable.**

Good driving horses and rubbers (red rigs make driving a pleasure); we supply these and horses you can rely on.

Try our feed and stable accommodation; we furnish a palace for equines, and are always pleased to accommodate you.

**TOURING CAR FOR HIRE**

Efficient chauffeur guaranteed and up to the minute service.

**Vanhorn & Hutchinson, Props.**

**Be Careful In building that Home.**

**POOR LUMBER** gives a house a cheap shabby look which makes it difficult to rent. If it is to live in, you want to be proud to show it to your friends, and the fuel bills are large where low grade lumber is used. We make a specialty of high grade and "classy" material that you will want to use. We have built up the largest retail business in Western Canada by being very fussy as to grades and selling better stuff than is sold elsewhere at prices as low as those asked for the inferior kinds. If your contractor uses **CROWN LUMBER** it means that he is a man who wants the best of everything and it is the best recommendation he could have!

**CROWN LUMBER Co. Limited.**

**A WORD TO YOU**

We call attention to the fact that there is no office outside of the large cities that is better equipped to turn out **High-Class Commercial Printing**. Many merchants who complain of the fact that money is going out of town to **Mail Order Houses**, are sending their **printing jobs out of town**. If these merchants come to us with an appeal to conduct a **Buy At Home** campaign, What should we say to them?

**THINK THIS OVER**
